Subject: EPA Visit in Bristol Bay Region

Judy or Tami,

We've heard that EPA is planning to visit to several Bristol Bay villages during the second week of August to provide an update on EPA's Bristol Bay activities. I left a voicemail for each of you today asking for a schedule of village visits in the Bristol Bay region in August.

Nunamta Aulukestai would like to hear the latest updates and to inform our members and stakeholders of upcoming EPA visits. Would you please either call or respond to the email on which villages EPA will visit and hold these informational meetings.
